## SUMMARY

---

Motivated and detail-oriented React.js Developer with a BCA degree, currently pursuing an MCA. Completed React.js training as part of a MERN stack certification course. Skilled in building dynamic, responsive, and scalable web applications using React.js, JavaScript, and modern frontend technologies. Passionate about creating seamless user experiences and eager to apply my knowledge in a professional environment. Quick learner with a problemsolving mindset, ready to contribute and grow in a React development role.
